2008 Robert Moore Award

The **Compass Behavioral Health Care Robert Moore Award** recognizes an individual that exemplifies exceptional values, beliefs, dedication and high ethical standards in the field of behavioral health in Tucson, Arizona.

In honor of the life and work of our late employee, Robert Moore, Compass Behavioral Health Care has established an award to recognize an individual for working with an unfailing belief in the power of human beings to change for the better. Robert spent his life working to ensure that social justice for ALL people is a reality. He had an ability to make room for everyone's voice, thoughts, and feelings. He showed loyalty to the underdog and was willing to fight for those who could not fight for themselves.

Individuals and behavioral health agencies are encouraged to nominate an individual working in the field of behavioral health that represents the values, dedication and service that Mr. Robert Moore lived by in his work.

The 2008 **Robert Moore Award** will be presented at the Compass Behavioral Health Care Celebration of Recovery on **Thursday, September 4, 2008**.

Please complete the nomination form and include a narrative statement of 300 words or less, stating the ways in which your nominee exemplifies exceptional values, beliefs, dedication and high ethical standards in the field of behavioral health.
